Nutritional Epidemiology RIS

Activities:
Sunday, March 29, 2015. 4:00 - 6:00 PM
Nutritional Epidemiology RIS Business Meeting and Mentoring Event. Renaissance - Atlantic Ballroom 1

Award Competition:
Saturday, March 28. 5:00 – 7:00 PM
ASN's Emerging Leaders in Nutrition Science Poster Competition
BCEC – Ballroom East

Minisymposia:
Sunday, March 29. 8:00 – 10:00 AM
Nutr. Epi: Epidemiological Research Addressing Diet and Health Outcomes
Chair: Shivani Sahni
Co-Chair: Niyati Parekh
Room: 153 B

Sunday, March 29. 3:00 PM – 5:00 PM
Nutr. Epi: Innovation and Validation of Dietary Assessment Tools and Their Applications
Chair: Carol J Boushey
Co-Chair: Claire Zizza
Room: 153 B

Monday, March 30. 8:00 – 10:00 AM
Research with Dietary Supplements and Bioactive Components
Chair: Namanjeet AHLUWALIA
Co-Chair: Regan Bailey
Room: 153 B

Monday, March 30. 10:30 AM – 12:30 PM
Nutr. Epi: Nutrition and Chronic Disease Epidemiology
Chair: Nicholas Ollberding
Co-Chair: Amy Millen
Room: 153 B

Monday, March 30. 3:00 PM – 5:00 PM
Nutr. Epi: Advancing Nutritional Epidemiology with Public Use and Commercial Data Sets
Chair: Patricia M. Guenther, PhD, RD
Co-Chair: Claire A. Zizza, PhD, RDN
Room: 153 B

Tuesday, March 31. 8:00 – 10:00 AM
Nutr. Epi: Epidemiologic Methods in Examining Health Outcomes in Diverse Populations (Co-sponsor: Minority and Diversity Affairs Committee)
Chair: Lisa M. Troy, PhD
Co-Chair: Margarita Teran-Garcia M.D., Ph.D. FTOS
Room: 153 B

Poster sessions:
Sunday, March 29
1. Nutr. Epi: Research with Dietary Supplements and Bioactive Components

Monday, March 30.
3. Nutr. Epi: Epidemiologic Methods in Examining Health Outcomes in Diverse Populations (Co-sponsor: Minority and Diversity Affairs Committee)

Tuesday, March 31.
5. Nutr. Epi: Innovation and Validation of Dietary Assessment Tools and Their Applications

Symposia:
Saturday, March 28. 3:00 PM – 5:00 PM
Approaches to Account for the Effects of Inflammation on Nutrient Biomarkers: Nutrition Determinants of Anemia (BRINDA) Project
Organized by the Global Nutrition Council (GNC) and the Nutritional Epidemiology RIS

Wednesday, April 1. 10:30 AM – 12:30 PM
Moderate Alcohol Use, Nutrition and Chronic Diseases: What We Know and Where to Go Next
Endorsed by the Nutritional Epidemiology RIS, Obesity RIS and Aging and Chronic Disease RIS
